

## **Research Methods 2**

### **Survey Methods**

This session will consider some of the issues involved in designing and analysing surveys. It will mainly use Angus Deaton's book, which provides more detail.

### **Readings**

Angus Deaton (1997) "The Analysis of Household Surveys: A Microeconomic Approach to Development Policy", Published for the World Bank by The John Hopkins University Press, Baltimore and London. ISBN 0801852544
